

# CB Asset Management

CB Asset Management AB offers its management concept through three funds, to private as well as institutional investors. The three funds have in common that they have two benchmarks: to deliver a positive return and to outperform relevant index over a long period of time (three years).

CB Hedge Europe	&ndash; Unique hedge fund with the goal of an annual return of 10-15%.	The fund follows a set of ethical criterias.
European Quality Fund	&ndash; A return of +7.3% p.a. (1996 - Aug 2010) The fund follows a set of ethical criterias.	with 5 stars by Morningstar
Save Earth Fund	&ndash; Sweden&rsquo;s only global fund of funds investing in renewable energy,	water management and

All funds are accessible and liquid investments. None of the funds have a minimum investment amount. At Morningstar you can compare the performance of the funds in relation to different indices and fund peers.

## News

2010-08-11: CB Hedge Europe ranked as #1 at BarclayHedge

BarclayHedge (formerly known as The Barclay Group) has among other things developed a database that follows and analyses 5814 hedge funds and alternative investment programs around the world. CB Hedge Europe is placed in the category &rdquo;Long/short equity &ndash; Europe&rdquo; containing 258 funds, where it was ranked as #1 based on performance for June (which was +5.7% for CB Hedge Europe).
